## Bermudakake i langpanne

### Ingredients

335 g smør  
675 g sukker  
6 store egg  
3,75 dl seterrømme  
3 dl kulturmilk  
560 g hvetemel  
4,5 ts bakepulver  
3 ts vaniljesukker

### Fyll:

350 g sukker  
100 g mandler  
6 ts kanel

### Instructions

Pisk mykt smør og sukker til smørkrem. Pisk inn eggene, ett om gangen. Ha smørkremen over i en stor rørebolle. Sikt mel, bakepulver og vaniljesukker. Bruk en elektrisk håndmikser og pisk det tørre inn i smørkremen vekselvis med rømmen og kulturmilk.

Til fyllet blandes sukker med hakkede mandler og kanel.

Del både kakedeigen og fyllet i to like store deler. Bland den ene halvparten av deigen med den ene halvparten av fyllet. Fordel dette utover i en stor, bakepapirkledd langpanne (ca 30x40 cm). Ha så over den andre halvparten av kakedeigen. Jevn til overflaten og dryss over den andre halvparten av fyllet.

Stek kaken midt i ovnen ved 180°C i ca 45 min (sjekk med kakenål at kaken er gjennomstekt). Avkjøl kaken i formen. Skjær den opp i firkanter. Løft kakestykkene ut av langpannen med en stekespade.

### BERMUDA TRIANGLE

"We decide to get away  
And have some fun  
Book a room and catch a flight  
For two weeks in the sun  
She says, "Hawaii's too expensive."  
I say, "Barbados isn't bad."  
She says, "I'd love to see Bermuda."  
And I say, "Woman, are you mad!"

Bermuda Triangle It makes people disappear  
Bermuda Triangle Don't go too near  
But she Doesn't see my angle  
And she thinks I'm being dumb  
So Bermuda Triangle Here we come!

Lying with my woman on The island sand  
I look up and see her with  
A stranger, hand in hand  
I see her sitting on his blanket  
I see them going for a swim  
And when I run to find my woman  
I find her running after him!

Bermuda Triangle  
Makes my woman disappear  
Bermuda Triangle Don't go too near  
Looking At it from my angle

Do you see why I'm so sad  
Bermuda Triangle Very bad!

Lying lost and lonely on  
The island sand,  
When a lovely stranger says  
Hello and takes my hand  
And soon she's sitting on my blanket  
And then we're going for a swim  
When I say, "what about your boyfriend?"  
She turns and waves goodbye to him!

Bermuda Triangle It makes people disappear  
Bermuda Triangle Don't go to near  
But look At it from my angle  
And you'll see what I'm so glad  
Now Bermuda Triangle Not so bad!"
